Hija Folks -
Here it is - March already! - Another month of the year
behind us and another month closer to home, let's hope!
No mail has come thus far for the last several days, but
it isn't unusual, I guess. - It seems to go in cycles - and
this is one of the cycles apparently. - Oh, well, - the more
enjoyed when it does come!
Am listening to the shortwave station in Boston. Some
very nice music you are sending this way. Sounds like Xavier
Cugat & his orchestra. - Think he is almost good enough to play
for my party - when I give it!
Oh, yes - I remember. I did get some mail the other
day. - Got a letter from Janet, herself, and a nice V-mail
from Mrs. Ames. Mrs. Ames mentioned something about
having a snap shot of me - guess my publicity department
has been on the ball again, eh?
- See I just have time to make me a couple of pieces
of toast on my toaster before the lights go out so it's a
good thing I'm at the bottom of this sheet. - (Yes, it was Xavier
Cugat, they just announced him!) - So for now, adieu, for a
moment on the finger -
+ We're seeing you!
Lots of love, Frank
