Hello Gabe

Here's the V-mail I promised you in Sunday's letter. As haven't you gotten the letter yet? I just guess you writing one I didn't have to!

Yesterday's mail brought me a couple of letters, one of which was Mavis' - telling of the day she & Ma went shopping, supposedly on Mavis' birthday, but she couldn't get off that day as was doing it beforehand! - What a system! Also in the letter was Mavis' birthday celebration. How awfully glad to get the details and to know just what you did. Know every one had a good time. - What's she doing, working in Cumberland? Is he still working for the govt?

Look out some insurance towards getting home, the other day! Have worn my hair long ever since I left the states but decided as that was the way everyone would like to see it, I'd get it cut short, and if anything worse as usual - I wasn't get home with it short! - I even shaved my head, if I thought it would do any good! - I don't relax these figures for even a second!

Lots of love,  
Frank
